Family and Children's Services Directory

GREATER
DANDENONG
City of Opportunity

dandenong kids

www.dandenongkids.com.au

Family and Children's Services in the City of Greater Dandenong provide care and support to all children and their families. Services provided include Family Day Care, Family Support and Playgroups. They also provide support for children with additional needs attending child care and kindergarten, kindergarten centre enrolment and support to kindergartens and community child care.

Council has a commitment to foster a city where families, community and local services work together to promote an inclusive and safe environment that maximises child and family health, wellbeing and learning.

Maternal and Child Health Service

The Maternal and Child Health (MCH) Service is a free service for all families with children from birth to school age. The service is provided by a team of nurses with midwifery and community health qualifications and by early childhood professionals.

The nurse will help you to assess your baby's progress, provide health and parenting support and advise you on any other health services.

Your nurse can provide information about playgroups, parenting knowledge and skills.

Phone the City of Greater Dandenong to make an appointment on 8571 1880. You can also contact the state wide 24 hour Maternal and Child Health Line on 13 22 29.

Playgroups

Playgroups are for families with children from birth to four years of age. They are run in the community by leaders, parent groups and carers to support adults and children to make new friends and develop new skills through informal play.

At playgroups mums, dads, grandparents and carers meet up in a relaxed and friendly environment. Through active play with their children, adults have the opportunity to share ideas and experiences.

Playgroups in the City of Greater Dandenong support parents and carers to enjoy quality time with their children, encouraging important learning that helps develop routines and later skills for school and work. Playgroups also provide opportunities to find out about community, health and support services available to enhance the well-being of children and their families.

Availability

Playgroups meet at different times and days throughout the week in maternal and child health facilities, kindergartens, halls, community centres and schools.

For more information about playgroups in your area, please visit www.greaterdandenong.com or contact the Playgroup Development Officer on 8571 1826.

To start a new playgroup in your area, email pgvic@playgroup.org.au, visit www.playgroup.org.au or phone toll free 1800 171 882.

Cost

Playgroups are often free or charge a small fee.

Kindergartens

Kindergarten is a very important part of a child's learning journey that gives children the chance to learn and practice skills in all areas of development.

Kindergarten Enrolment Information:

- Children are eligible for enrolment on or after their second birthday; so please enrol as soon as possible after that date as places are limited.
- Children must turn four on or before 30 April to be eligible to attend a funded four year old kindergarten program in that year.
- Children must turn five on or before 30 April to be eligible to attend a primary school in that year. In Victoria children are not legally required to attend school until they are six years old.

For further information, contact the kindergarten enrolment officer on 9767 0817.

Occasional Care

Occasional Care is centre-based child care that supports families by providing flexible care for children. Families can access occasional care regularly on a sessional basis, or irregularly.

Occasional Care allows the flexibility to leave children for short periods of time in an early childhood learning environment to socialise and interact with other children.

Fees are charged only for the number of hours your child is being looked after. In some services, the cost may depend upon your income, and is applied through the Commonwealth Government Child Care Benefit Scheme.

For further information, contact Family Assistance Office
136 150.

Many primary schools offer programs for school children outside school hours – before and after school, during the holidays and on student-free days.

Out of School Hours Care

Vacation care provides supervised activities for primary aged children during the school holidays. Children are encouraged to be creative and to make their own choices, play games and other fun activities. They also have the chance to go on outings and be involved in new activities.

Bookings need to be made prior to the programs beginning. Fees are set by individual venues.

Contact your local school to see what services they have available. You may also be eligible for the Child Care Benefit to assist with the program costs. Contact the Family Assistance Office on 136 150.

Toy Libraries

Toy libraries are a place where parents or carers can go to borrow a large variety of educational toys, puzzles and games on a regular basis.

Toy libraries provide families with resources and equipment.

Quality toys can be expensive. Having access to a toy library allows parents the opportunity to try a lot of different toys for a fraction of the cost of purchasing their own.

By providing new play materials every week or two, parents can save money and still significantly contribute towards the development and education of their children.

(Sourced from:
www.toylibraries.org.au/what)

Help for parents & children

The Council provides free assistance and advice for parents who may need additional care for their children.

Special assistance is available for children:

- with disabilities
- with developmental difficulties
- from Aboriginal or Torres Strait Islander families.

For further information contact 8571 1817 or talk to your Maternal and Child Health Nurse.

Family Support & Counselling

Free, confidential help and counselling for local families is available. It can include assistance with relationships, parenting, financial budgeting, anger, depression or grief.

For further information and support, contact Yarraman Family Support team on 9793 2155.

Notes

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
